G. Using Results for Continuous Improvement	3.6 (3.62 NICS Average)

Constituent feedback helps to further the mission of the school by giving insight to our leadership team and teaching staff alike. ICS-Lima seeks to exemplify truth in all we do. When we collaboratively work with our stakeholders and receive their feedback, we are showing ourselves to be transparent. In recent

years, we have created more opportunities for parents' voices to be heard through PTO meetings, surveys, and Administrator's Coffee sessions.
